Case No. 10-55238-TJT  
Chapter 7

**TRUSTEE'S MOTION FOR ORDER  
AUTHORIZING INTERIM DISTRIBUTION**

**Jurisdiction**

1. The Trustee brings this motion under 11 U.S.C. §§ 105 and 724; Fed. R. Bankr. P. 3009 and 9014; and L.B.R. 9014-1 (E.D.M.).
2. This is a core proceeding over which this Court has jurisdiction. *See* 28 U.S.C. §§ 157(b)(2)(A) and 1334.

**Background**

3. Louis Martin Mondry filed a petition for relief under Chapter 13 of the U.S. Bankruptcy Code on May 6, 2010. The case was converted to a case under Chapter 7 on September 24, 2014, and Homer W. McClarty was appointed the Chapter 7 Trustee for the Debtor's bankruptcy estate.

4. On December 19, 2014, the Court entered an order approving the sale of the Debtor's commercial property at 6657 Michigan Avenue, Detroit, Michigan and hardware store assets for \$110,000 on land contract. The land contract is being

paid in monthly installments amortized over five years, with the end date in approximately February 2020. In addition to the land contract payments, the estate receives annual payments under a promissory note for redemption of the Debtor's Class B stock in True Value Company, with the final payment due in December 2019.

5. To date, the Trustee has collected just over \$120,000 in land contract and stock redemption payments.

6. The deadline for filing claims against the bankruptcy estate expired on March 9, 2015. Allowed secured claims were paid in full under this Court's November 21, 2017 Order Authorizing Interim Distribution (doc. 229).

7. The Trustee is currently holding just over \$82,000 in the estate trust account. Of this amount, the Trustee seeks to distribute \$56,829.20 to pay the following priority claims:

Claim Nos.	Claimant	Basis of Claim	Priority Amount
4	City of Detroit, Treas.	Income taxes	\$1,241.17
14	Michigan Dept. of Treas.	Sales and withholding taxes	\$6,426.75
20	Dept. of Treas., IRS	FICA taxes	\$49,161.28

## **Interim Distribution**

8. In a Chapter 7 case, dividends to creditors shall be paid as promptly as practicable. *See Fed. R. Bankr. P. 3009.*
9. As indicated above, the estate is holding sufficient funds to make a meaningful distribution to creditors. And, because it will be approximately a year before the land contract will be paid in full and the Trustee is able to propose a final distribution on claims, the Trustee believes that an interim distribution is appropriate at this time.

## **Relief Requested**

The Trustee respectfully requests that this Court enter an order authorizing an interim distribution of estate funds, and granting such further relief as this Court deems appropriate.

**NOTICE OF TRUSTEE'S MOTION FOR ORDER  
AUTHORIZING INTERIM DISTRIBUTION**

Chapter 7 Trustee Homer W. McClarty has filed a motion seeking authority to use \$56,809.20 of the \$82,000 in estate funds to pay priority claims. In 2014, the Trustee sold the estate's interest in commercial property at 6657 Michigan Avenue, Detroit, Michigan and hardware store assets for \$110,000 on land contract. The Trustee is in the process of collecting monthly land contract payments, as well as annual payments under a promissory note for redemption of the Debtor's Class B stock in True Value Company. The land contract is being paid in monthly installments amortized over five years, with the end date in approximately February 2020. The Trustee will not be able make a final distribution until after the last payment is made. The deadline for filing claims against the bankruptcy estate expired on March 9, 2015. The claims filed against the estate include three priority claims totaling \$56,809.20. The Trustee has requested authority to pay the priority claims from the funds on hand.
